

Sample of Disallowed/Rejected Toy Guns or Replica Guns

Singapore has strict law and regulations on the import of toy or replica guns.

2. Please take note that Police do not allow the import of toy gun which:

- Closely resemble a real gun in make, model and appearance
- Can easily be modified to look realistic
- Can shoot hard projectiles
- Are Cap Guns (toy gun which creates loud sound and smoke by hitting on caps which contain minute amount of explosive powder)
- Speed of the projectile exceeds limit of 250 feet per second (fps)

3. Below is the sample list of disallowed or rejected toy guns or replica guns. These items are not approved for importation and there is no need to seek approval from the Police.
