1. The licensee may only store the type of explosives as stated in the licence unless otherwise approved by the Licensing Officer in writing.
2. The licensee may only store explosives in the explosives storage as stated in the licence unless otherwise approved by the Licensing Officer in writing.
3. The licensee is required to maintain a register showing the following:
 - a) The description of the explosives;
 - b) The date the explosives were taken into stock;
 - c) The quantity of explosives in/out/balance;
 - d) The movement of explosives; and
 - e) The particulars of person drawing / depositing explosives or entering the explosives storage.
4. The licensee must keep the register in condition 3 above for a period of not less than 10 years from the date the record is made.
5. The licensee shall implement and maintain —
 - a) the security measures in accordance with the security proposal approved by the Licensing Officer; and
 - b) such other security or safety measures as the Licensing Officer may direct from time to time.
6. The licensee shall ensure that closed-circuit television (CCTV) cameras and a CCTV recording system are installed and maintained at the premises in accordance with the Video Surveillance System (VSS) Standard for Building published by Singapore Police Force. A copy of the VSS Standard can be obtained from weblink: <https://www.police.gov.sg/Advisories/Infrastructure-Protection/Building-Security> .
7. The licensee shall ensure the CCTV DVR is secured in a locked cabinet in a secured room.
8. The licensee must install and maintain an intrusion detection system (IDS) to monitor the premises where the regulated activities are carried out. The IDS must send an alert to the centralised monitoring centre or relevant authorised persons in the event of any intrusion detection. The licensee must conduct regular checks to ensure that the IDS is in proper working condition.
9. The licensee shall notify the Licensing Officer of any change of any Director or shareholders (as reflected in Accounting & Corporate Regulatory Authority records) within 7 days of any such change via GoBusiness.
10. The licensee must obtain the Licensing Officer's approval before employing any prospective employees to be involved in handling of explosives, by submitting an Application for Security Clearance of Special Worker through GoBusiness.
