

GETTING STARTED WITH SONAR

For STR filers

(Updated on 26 April 2022)

TECHNICAL REQUIREMENTS

Compatible Web Browsers

SONAR platform has been tested to be compatible with the following web browsers:

- Internet Explorer 11
- Microsoft Edge (recommended)
- Mozilla Firefox 50+
- Google Chrome 60+

We recommend clearing your cache each time before starting a new SONAR session using a private browser.

To optimise your experience, you may wish to check with your IT department to ensure that the following settings have been made on your organisation's workstations and proxy servers.

Proxy Server Settings

- Allow internet traffic from the domain *.gov.sg
- Proxy server should not terminate or refresh internet access sessions automatically

Internet Explorer Settings

- Enable cookies
- Do not use the <Back>, <Forward> and <Refresh> buttons on your browser or use "Ctrl + N" to launch a new window when the SONAR application is open. Keyboard shortcuts such as <Backspace> to go to the previous page will also cause your session to be terminated prematurely.

Compatible Adobe Readers

Use only the following Adobe software:

- **Acrobat DC (release note 15 or later)** (Available for free on the Adobe website); OR
- Acrobat XI (release note 11 or later)

If you submit a report using an incompatible Adobe software or third party PDF editor, you may be required to file your report again.

Do also install the necessary Adobe Font Pack(s) to use certain font type(s) in the form (available for free on the Adobe website).

If you have created draft forms with outdated Adobe software or third party PDF editors, you should:

1. Delete the old drafts or templates;
2. Download a fresh template from SONAR; and
3. Use a compatible Adobe software to create a new draft

INTRODUCTION AND CONTENTS

Introduction

In August 2018, the STRO Online Notices And Reporting platform (SONAR) replaced the Suspicious Transaction On-Line Lodging System (STROLLS) to allow electronic submission of Suspicious Transaction Reports. SONAR is also the consolidated platform to allow electronic submission of Cash Movement Reports (Form NP 728) and Cash Transaction Reports (Form NP 784). This guide serves to inform Suspicious Transaction Report filers on the functions of SONAR and how they can use SONAR to electronically submit Suspicious Transaction Reports.

Getting Started

To begin, access SONAR through the [Police e-Services webpage](#) for **Business**.

Select “STRO Online Notices and Reporting Platform”.

Select “Log in for Business Users (SingPass)”.

 You will be redirected to the SingPass sign in page.

- You may choose to log in via the SingPass App or by entering your SingPass credentials.

Do not bookmark this SingPass login page because this is a redirected link. Always access SONAR via the Police e-Services webpage.

Click on the relevant section you would like to know more about.

APPLY FOR ADMINISTRATOR USER RIGHT

Applying for Administrator rights

You should see the following Homepage after logging in if you are an unregistered user. You will notice that you are unable to view Bulletins and unable to submit Suspicious Transaction Reports.

1. Click on “[Apply for Administrator Rights for self](#)”

The screenshot shows the SONAR STRO Online Notices And Reporting platform homepage. At the top, there is a 'Home' link and a 'Log out' button. The main header features the SONAR logo and the text 'STRO Online Notices And Reporting platform'. Below the header, there is a pink box containing user information: 'Name: Your Name', 'Name of Company: Your Company's Name', and 'You are assigned as: Unregistered'. The main content area is divided into two columns. The left column, titled 'Report Menu', contains links for 'Upload Report', 'View Bulletins', 'Search Submitted Report', 'Account Registration', 'Apply for Administrator Rights for self' (highlighted with a red box and a circled '1'), 'Blank Report Template(s)', 'Cash Movement Report (CMR-NP728)', and 'Cash Transaction Report (CTR-NP784)'. The right column, titled 'Bulletins', contains the text 'Please register as a SONAR user to view bulletins/alerts.' and a red box with an exclamation mark icon containing the text: 'Only registered users will be able to view bulletins and download report template for Suspicious Transaction Report'.

You will not be allowed to proceed further with your registration if your organisation already has 2 Administrators. The following prompt will appear. At least 1 of the existing Administrators will have to deactivate his/her SONAR account in order for a new user to apply as Administrator.

The screenshot shows an 'Information' dialog box with a close button (X) in the top right corner. The text inside the dialog box reads: 'You are unable to access this function as each organisation can only have a maximum of 2 users holding Administrator rights. Please approach your Administrators if you want to change your role.' At the bottom right of the dialog box is a 'CLOSE' button.
