¹ Under s 30(1) of the IPA, a person must not take any photograph of a PA/PP without the permission of the authority of the PA/PP. If the Authority intends to restrict photography of the PA/PP, it is good practice for the Authority to give reasonable notice to the public before enforcing the restriction on unauthorised photography. This may be achieved, for example, through signage, circulars, or information posted on the company website or printed on access passes.

² Under s 30(3)(a), the designated authorised officer may direct any person whom the designated authorised officer reasonably believes to be involved in the operation of the unmanned aircraft (i) to end the flight of the unmanned aircraft, or land it, safely in the fastest practicable way; or (ii) to fly the unmanned aircraft in the manner specified by the designated authorised officer.

³ Under s 30(3)(c), the designated authorised officer may without warrant, and with such assistance and by such force as is necessary, seize the unmanned aircraft, any component of the unmanned aircraft system for that aircraft, or any other thing, that the designated authorised officer believes on reasonable grounds (i) to be evidential material relevant to an unauthorised photography offence or (ii) needs to be seized to prevent its concealment, loss or destruction, or its use in committing, continuing or repeating an unauthorised photography offence under the IPA.
